What he did gather

was the following: in the city. Corn sold from that it is proposed to unite in one organstore, on orders, at 80c. Hay ization, for the sake of economy and oats and bran were all at a standstill nothing done to found figures upon Chickens were not to be found in the market. Eggs, owing to the approach | and Texas railroad, and the Cairo and of Easter, were held firmer, but the quotation was still 12@13c. Butter become easier from day to day. Bacon quoted higher: clearsides, 10@101c; shoulders 71@7fe. Bulk pork was also better; 9@ 9te for clearsides, 6t@6te for shoulders Lard firm and unchanged. Commeal | seek signatures by circular; the request was in small supply and higher, quoting \$3 50 on the elevator.

Cotton was, of course, subjected to almost Sunday quietness; no cotton ex- committees, by Messrs. George Cabot change open-no receipt nor export fig. Ward, Alanson Trask, Sylvester H. ures accessible—no telegram from Liver | Laflin and James M. Loughborough. pool on the other side the sea, nor from | The following is given by the New the principal cotton markets on this York World as the basis of consolidation side, left the cotton market much in recommended by the committee: the condition of the play of Of the \$28,500,000 of stock forming the aggregate capital of the four roads:
The shareholders of the Iron Moun-"Hamlet" left out. There was some inquiry to complete spinning orders, but there was a very poor show of the staple on the tables, and only unimportant lots changed hands. Holders were very firm in their askings. For low middlings and above, the outside rates of the official quotations were readily of-

The financial features remain as we have so often had to record them, except in one particular, exchange—that is heavy with a comparatively light demand. The supply is above requirements and lots have been sold between banks at par. It is not impossible that the opening of next week may witness a "break" in exchange rates. For gold the brokers were paying 11?. The new Nicolson pavement scrip is now issuing; over \$50,000 was out at noon yesterday. The Good Friday holiday influence was strong in its effects on the banks, they were almost denuded of business.

almost ignored. We remember that when Mr. John Erskine, in 1860, inaugurated sales by auction, tobacco bid fair to become only second to cotton in importance, and we believe that with a SALARIES OF JUDGES. little energy and some capital we might, GOVERNOR AMES did a righteous act in a couple of years, advance our sales in vetoing the bill which recently passed from nothing to at least three thousand the Mississippi legislature, reducing the logsheads. What Mr. Erskine did in salaries of judges. A pure and honest 60 can be done with more ease, and judiciary is absolutely necessary to the less trouble when the Paducah railroad stability and permanence of our instituis finished, penetrating as it will the tions. We may survive executive incabest tobacco country in the Union. We pacity, legislative corruption, and the irge this on the attention of our merknavery of office-holders, if we keep the chants as every way worthy of immebench pure and the ermine unsullied. diste action, and, apropos to it, quote When the dry-rot of political corruption from the Louisville Courier-Journal that and degeneracy has struck into the judisome effect has been produced upon the ciary, the last prop goes and the fabric tobacco trade, by a disposition among falls. But an able and incorruptible judealers to operate in anticipation of the diciary-men of learning and scholarforeign contracts, the announcements of ship, of honesty and integrity, to digniwhich have been looked for at about fy their profession and reflect honor upthis time. Advices of the French and on the State—can only be secured Italian contracts have just been received, by giving such salaries as for the particulars of which we are incommand them. Whendebted to the friends in the trade. The ever a sporadic fit of economyadjudication on the French contract will seizes legislators, they commence at take piece in France on April 13th, and once to reduce the salaries of Judges. bids will be received for 9,000,000 kilos, We recollect, somewhere in our reading, or about 15,000 hogsheads Kentucky tocoming across an irrascible character. saccos, of the following types and perwho kept a lay-figure in his back-yard. centages; 'Twenty-five per cent. A., on which he revenged all his troubles. forty per cent. B., and thirty-five per Whenever things went wrong, and escent. C. The Italian contracts are anpecially when some brawny athlete in nounced for April 23d or 24th, calling sulted him, he would frantically rush to for about 15,000 hogsheads of western tohis back-yard, where he found relief and baccos, made up of ten per cent. type A., consolation by belaboring the stolid and sixty per cent.
